THE GONDOLIERS

- Overture
- List and learn
- ~~Good morrow, pretty maids~~
- Buon' giorno, Signorine!
- ~~We're called gondolieri~~
- And now to choose our brides!
- ~~Thank you, gallant gondolieri!~~
- ~~From the sunny Spanish shore~~
- ~~In enterprise of martial kind~~
- ~~O rapture, when alone together~~
- ~~There was a time~~
- I stole the Prince
- ~~But, bless my heart / Try we life long~~
- ~~Bridegroom and bride~~
- ~~Kind sir, you cannot have the heart~~
- ~~Then one of us will be a Queen~~
- Now pray, what is the cause of this remarkable hilarity / For everyone who feels inclined
- Come let's away / Now, Marco dear
- ~~Then away we go to an island fair~~
- Of happiness the very pith
- ~~Rising early in the morning~~
- ~~Take a pair of sparkling eyes~~
- Here we are, at the risk of our lives
- ~~Dance a cachucha~~
- ~~There lived a King~~
- ~~In a contemplative fashion~~
- ~~With ducal pomp~~
- ~~On the day when I was wedded~~
- ~~To help unhappy commoners~~
- I am a courtier
- Here is a case unprecedented
- Now let the loyal lieges gather round
- Once more gondolieri
