

The Maybud Club

Monthly Giving for the Lamplighters

LAMPLIGHTERS
MUSIC THEATRE

Patrons who contribute to Lamplighters Music Theatre on an automatic recurring basis are some of our most valued supporters, and receive special benefits as members of the Maybud Club. Please join the Club—your monthly or quarterly gift will help support the Lamplighters both onstage and off.

These donations provide a predictable stream of income that allows for more sustainable and efficient management of our organization, and makes us better able to bring the joy and merriment of Gilbert & Sullivan, and other light opera, to tens of thousands in the Bay Area community throughout the year.

What Your Support Provides...

	per month	12-month total

Q. What is the Maybud Club?

A. The Maybud Club is Lamplighters Music Theatre’s recurring giving program. We recognize the high value of this type of gift, and offer special benefits for those contributors who provide this important ongoing support.

Q. Why is it called the Maybud Club?

A. Rose Maybud, the virtuous young heroine of Gilbert & Sullivan’s *Ruddygore*, consults her etiquette book before doing anything. Of course, this leads her to some unanticipated outcomes, but we have high hopes that philanthropy and planning ahead are values she shares with many of our patrons. “Maybud” also suggests potential and possibilities—our artists will be better able to blossom with the sustained support that the club’s donations provide.

Q. Can I set up automatic quarterly payments, instead of monthly?

A. Absolutely! Just let us know the amount, and which months you prefer.

Q. Maybud Club members “level up” on donor benefits. What does that mean?

A. Donors to the Lamplighters receive recognition and benefits that are determined by the donor’s 12-month giving total. However, while your Maybud Club membership is recognized in the program at your actual level, you’ll receive benefits at the next level up—granting you better access to VIP receptions, behind-the-scenes events, and more.

Q. I see that \$10 / month pays for a meal for one singer. If I sign up, can I specify which one?

A. Sorry, no—Maybud Club gifts provide unrestricted support for our general operating costs. But feel free to suggest a caterer!

Q. What if I have other questions?

A. Please contact Executive Director Cheryl Blalock at 415-227-4797, or cblalock@lamplighters.org.
